Testimonials:

“CforC has been a great source of advice and practical help to Tobermore on our quality journey. We have benefited from the many training courses and seminars we attended and the excellent USA study visits.”

**David Henderson, Managing Director,
Tobermore Concrete Products**

“Bombardier Aerospace in NI has benefited from the collective knowledge of the multi-discipline team at CforC. The team provides an excellent range of services, from which the manufacturing and service industries in NI can benefit.”

**Michael Ryan, Vice President & General
Manager Operations, Bombardier
Aerospace**
